JOSEPH IAN OCHAVILLO

IT Internship / On-the-Job Training (OJT)

0948-255-4752 | josephochavillo011004@gmail.com

PROFESSIONAL SUMMARY

Fourth-year Bachelor of Science in Information Technology student seeking an IT internship / OJT opportunity. Project experience includes IoT hardware development, wiring diagram design, and Android application programming. Offers foundational web development skills and student leadership experience across three academic years.

EDUCATION

Bachelor of Science in Information Technology

Bukidnon State University | Malaybalay City, Bukidnon

Expected graduation: June 2027

TECHNICAL SKILLS

Web Development: HTML, CSS, JavaScript

Design and Diagramming: Draw.io, Canva

Productivity and Collaboration: Google Workspace

Project Experience: IoT hardware development, wiring diagrams, Android programming

PROJECT EXPERIENCE

WattWise | Hardware Developer

- Developed hardware for a smart energy monitoring and remote-control capstone project.
- Created the wiring diagram to document hardware connections and support system assembly.

Smart Drawer Lock | Arduino Project

- Built an RFID-based drawer lock using an Arduino Uno, RFID-RC522 reader, servo motor, and 16 x 2 LCD.
- Used RFID tag recognition to control drawer access, with servo-operated locking and LCD access-status feedback.

Android Attendance Application | Main Programmer

- Led programming for an Android application designed to manage attendance records.

LEADERSHIP EXPERIENCE

College of Technologies Student Body Organization (COT-SBO)

4th Year Representative | 2026-2027

Public Relations Officer | 2025-2026

Associate Treasurer | 2024-2025

CERTIFICATIONS AND TRAINING

CCNA: Switching, Routing & Wireless Essentials

Cisco Networking Academy | Course completion badge

Topics: VLANs, inter-VLAN routing, switching, wireless networking, and network security fundamentals.
